25th company anniversary

Dear BMW 02 friends,

Where has all the time gone? Do you ever ask yourself the same question?

I too have asked myself that often of late. Where did the last years go and didn't we share so many common achievements?

It seems like yesterday, those days more than 30 years back as I was collecting my first BMW 02 parts in my parents' garage. In those days, BMW 02 fans started exchanging parts and the first BMW 02 were being sold.

Pretty soon I had my first customers, at first in the surrounding area, then from further afield and ultimately even in the neighbouring countries.

Then things took on a life of their own in a way that I still have trouble comprehending today

We will be celebrating **our 25th anniversary in August 2022** and I am very well aware that our success is not solely to my own credit. Without you - some of you knew me in the days of "Papa's Garage" - we would not be where we are today

So here I am sitting in my office looking back on 20 years of business as "Michael Cahsel, your BMW 02 Specialist". I now serve and consult 02 friends and fans across the whole world.

The garage became a 500 m² warehouse at Mindener Strasse 57 – 59 in 32547 Bad Oeynausen and a 750 m² warehouse with offices, showroom, showcase and stores at Benzweg 5 – 7 in 32584 Löhne.

Please visit our **website www.cahsel.de**. As a particular highlight, we would like to draw your attention **to our showroom** tour - believe me, it will be worth your while!

I would like to take this opportunity to thank you most sincerely for the trust you have put in me and I look forward to the coming "BMW 02 years" together.

Your Michael Cahsel
